Choco Banana DIY Japanese Candy Kit Instructions

What you need: banana soft candies, colorful toppings packet, choco cream packet, 1 toothpick

Step 1: Open the colorful toppings and choco cream packets. Pour these into the separate sections on the right side of the tray.

Step 2: Take one banana soft candy and hold it up-right. Insert the toothpick into the bottom side.

Step 3: Dip the candy into the choco cream and then the colorful toppings.

Now, eat your choco banana Japanese candy and enjoy!
