June DIY

What you need: 4 Square Soft Candies, Power Pack, Liquid Candy Pack, Wooden Stick

1. Add the liquid candy to of the empty tray sections. Add the powder to the other empty section.
2. Take a soft candy square and insert the wooden stick into it. Then dip it into the liquid candy.
3. Then, dip the soft candy square into the powder. Now, enjoy the snack!
4. Repeat steps 1-3 for the remaining soft candy squares.
