

JULY'S SNACK MENU

May April >

PLAN Premium Classic

Uji Matcha Jelly Japanese Drink **PREMIUM**

This unique jelly Japanese drink fuses together a traditional matcha flavor with a modern vanilla sauce and jelly texture. Simply shake the can well to ensure the matcha jelly breaks up to mix with the vanilla sauce and then drink! This drink is perfect to drink while surrounded by nature and eating Japanese candy.

Cookie and Cream & Strawberry Cheesecake Japanese Kit Kats

This month you can find three seasonal Kit Kats in your Japanese candy box! They are a random mix of a refreshing cookie and cream flavor and an addition strawberry cheesecake taste! Which ones did you get in your box? **product packing may differ than image*

Pineapple & Coconut Marshmallows **PREMIUM**

To celebrate the summer season, you can find these delicious tropical flavored marshmallows! The fish shaped ones are pineapple flavored, while the starfish are coconut milk. These are the perfect Japanese snacks to take on a camping trip and use to make some unique tropical s'mores!

Butter Toast & Sesame Biscuits Party Pack **PREMIUM**

Ready for a savory biscuit Japanese treat?! These easy-to-eat bite size snacks come in two flavors - sesame and buttered toast. Combine these with your tropical marshmallows and some chocolate for a fun s'more treat!

Koikeya Tempura Matcha Salt Chips

This month's Japanese chips are a unique take on not one, but two, traditional Japanese flavors! Included in this Japanese snack box is popular brand Koikeya's mixed tempura flavoring and matcha tea with savory chips that enthrall you with its rich blend of flavors!

Chocolate Mint Twigs

To help keep you refreshed on your summer trips, we included these chocolate mint twigs in your Japan box! This is a brand new flavor in this Japanese candy line. This milky chocolate is infused with a brisk mint flavoring that leaves you feeling cooled down after every bite! Where will you take these snacks with you this summer?

Okara Cheesecake Cookies

Want a healthy, delicious snack to take with you on that summer hike? These Okara Cheesecake Cookies are the perfect Japanese snacks for that as they are packed with okara, fiber, 5 different vitamins, calcium, and iron. On top of all that, it features a rich cheesecake flavor that is utterly satisfying!

Rich BBQ Potato Sticks

BBQ is what we imagine when we think of a delicious summer meal, so we just had to include these savory and rich BBQ potato sticks! Even better, this snack has a unique packing that allows you to eat it with one hand and pour the sticks straight into your mouth. That helps make this snack a great fit for when our enjoying nature this summer with your Japanese candy box!

Poteko Potato Rings Share Pack

Another easy to eat Japanese snack that is great for nature walks, this share pack contains savory potato ring snacks! These bite size snacks make them incredibly easy to eat while still being packed full of flavor with every bite. Who will you share this treat box's share pack with?

Pretty Cure Chocolate Wafer **PREMIUM**

The anime snack in this Japanese candy box is a chocolatey wafer with a kawaii Pretty Cure packaging. This snack even comes with an easy to apply nail sticker! There are 8 possible nail sticker designs that you could receive. Which design did you get?

Cheese Umaibo

For all the savory snack lovers out there, this umaibo dagashi is calling your name! The rich cheesy taste will help provide that motivation when you need a bit of a boost in the middle of your camping getaway!

Grape Soda Gummy **PREMIUM**

A chewy, fizzy Japanese candy that ensures you smile with delight as you snack, this grape soda gummy is a fun dagashi snack that Japanese people of all ages love! The grape flavor is smooth and makes you feel refreshed, like you just took a swig of a chilled grape soda.

Konpeito Candy

Konpeito is a Japanese candy popular due to its rich history in Japan and sweet sugar flavor. This snack comes in 5 different designs inspired by dandelions, hydrangea, cosmos, sakura, and fuji flowers. Which color design did you get in your Japanese candy box?

Water Candy DIY Japanese Candy Kits

This month's DIY kit is a fun and simple Japanese snack that allows you to mix and match different liquid candies. Enjoy creating your own flavored candy by mixing strawberry, ramune soda, and lemon flavors together. Mix them all together to create a unique grape flavor! What creations will you mix?
