August 2018 - Melon Jelly Drink DIY

## MELON JELLY DRINK

Melon Jelly DIY Japanese Candy Kit Instructions

What you need: 1 mini plastic bowl, 1 straw, 1 powder package, 1 cup of water

- Step 1: Pour the powder package into the mini plastic bowl
- Step 2: Fill the bowl up to about 2/3 full with water.
- Step 3: Use the straw and stir the water and powder together for about a minute.
- Step 4: Drink your delicious melon Japanese soda snack!
