Candy Apple Japanese DIY Kit Instructions

What you need: Plastic tray, toothpick, apple soft candy, 1 sprinkle pack, 1 candy sauce pack

- Step 1: Take the sprinkle packet and put it into one empty slot on the plastic tray.
- Step 2: Take the candy sauce packet and put that into the other empty slot on the plastic tray.
- Step 3: Stick the toothpick into one apple soft candy and dip it into the candy sauce.
- Step 4: Next, dip the apple soft candy into the sprinkles.
- Step 5: Now, you have completed your covered apple candy! Enjoy!
